ALTERNATIVES PUBLIC MEETING

Thursday, April 23, 2009

5:00 p.m. – 7:00 p.m.

Presentation at 6:00 p.m.

St. John the Baptist Catholic Church

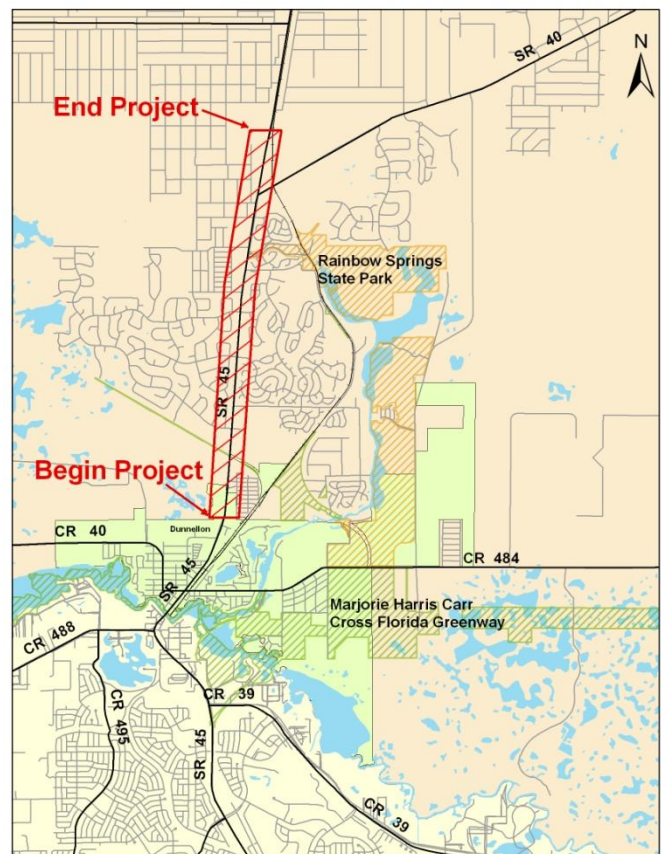

7525 S. US Highway 41, Dunnellon, Florida 34432

The Project

The Florida Department of Transportation (FDOT) District 5 has initiated a Project Development and Environment (PD&E) Study to consider improvements to SR 45 (US 41) from 111th Place Lane to approximately SW 61st Street in Marion County, Florida.

What is a PD&E Study?

A PD&E Study is the formal process that FDOT uses to ensure that consideration is given to engineering design, project costs, environmental and social impacts and public input in the development of major transportation projects. The basic steps of a PD&E Study include data collection, development and analysis of the alternatives, development of project documents and final approval. Public involvement is a very important part of the PD&E process and there will be several formal opportunities during this study for the public to provide input on the project.

The Invitation

You are invited to attend an alternatives public meeting on Thursday, April 23, 2009 to discuss the SR 45 (US 41) Project Development & Environment (PD&E) Study. The meeting will consist of an informal open house at which time the public may review maps, drawings, and other pertinent information developed by FDOT and their consultants. Project representatives will be on hand during the workshop hours for discussion and to answer questions. The open house will be conducted between 5:00 p.m. and 7:00 p.m. with a formal presentation occurring at 6:00 p.m.

The meeting is being conducted to present to the public the results of the SR 45 PD&E Study to date and obtain comments on the viable alternatives that are being considered. Proposed improvements include additional lanes, bicycle and pedestrian facilities.

Meeting Location Map
St. John the Baptist Catholic Church

How can I provide input?

- Fill in a comment form and submit it to a FDOT representative at the meeting.
- Mail written comments to the address indicated below before May 3, 2009.
- Email comments to daniel.kristoff@rsandh.com before May 3, 2009.
